

## New plaudits from The Good Food Guide 2013 and Raymond Blanc OBE for Lussmanns

Lussmanns Fish & Grill Restaurants in St Albans and Hertford have received renewed praise from the newly published *Which? Good Food Guide 2013* and Raymond Blanc OBE, President of the Sustainable Restaurant Association.

Recommending Lussmanns for a fourth consecutive year, The Good Food Guide 2013 praises the independent restaurant group as an *'antidote to bland high street brands'* where *'provenance and seasonality are at the fore'* and diners enjoy *'relaxed unfussy dining'* with *'excellent customer service'*.

In the same week, Raymond Blanc OBE highlighted Andrei Lussmann's commitment to welfare and sustainability. Speaking at the opening of Brasserie Blanc in St Albans, the Chef Patron of Le Manoir aux Quat'Saisons and President of the Sustainable Restaurant Association emphasised the importance of supporting local producers and complimented Andrei Lussmann as sharing the same values and ethics in relation to sustainability.

After the launch of Brasserie Blanc, Raymond Blanc visited Lussmanns where he greeted staff and diners before enjoying a late supper with Andrei Lussmann.

Andrei Lussmann said: *"It doesn't get much better than breaking bread with Raymond Blanc. Our dinner was a delightful feast of discussion."*
