

LUSSMANN'S

FISH & GRILL

11 SEPTEMBER 2014

Lussmanns is a 'godsend' says The Good Food Guide 2015

Lussmanns Fish & Grill, the independent restaurant group in St Albans, Hertford and Harpenden has received renewed praise from the newly published Waitrose Good Food Guide 2015.

Recommending Lussmanns for a sixth consecutive year, the UK's bestselling restaurant bible praises the sustainable *'independently minded crusader'* as a *'godsend'* – describing it as an *'agreeable bastion of good food'* with *'cooking that makes the most of super-fresh ingredients and cares about provenance'*, desserts that *'pudding fans will love'* and a *'zippy wine list'*.

This renewed praise from The Good Food Guide coincides with the restaurant group's own celebrations to mark 10 years as Hertford's busiest independent brasserie and a successful first year in Harpenden, where Lussmanns has once again established itself as a popular local favourite.

This year has also seen Lussmanns rise above strong competition to win UK Sustainable Small Restaurant Group of the Year at the Sustainable Restaurant Association Awards 2014, and take home the 'highly commended' runner-up prize for the Sustainable Business Award at the 31st annual Cateys, the Oscars of the hospitality industry.

Reflecting on the year so far, owner Andrei Lussmann said: *"It's local patrons that make or break the business so I am delighted that we continue to impress"*.
