Lusmanns Supplier Terms of Trade

As an ethical and sustainable business Lusmanns manages relationships with all suppliers using those principles and expects its suppliers to operate to the same high standards.

There are fundamental terms that Lusmanns employs:

1. Lusmanns always sticks to an agreed and fair price for every product
2. Lusmanns operates a 30-day payment policy following receipt of invoice
3. Lusmanns will agree delivery schedules in advance and ideally to minimise the number of deliveries
4. Lusmanns communicates regularly and transparently with all suppliers, wherever possible including a face-to-face meeting at least once a year.
5. Lusmanns will advise suppliers in person with one to three months notice of termination
