What we do

REWARDING SERVICE

A discretionary 12.5% service charge will be added to your bill. 60% of your tip goes to waiting staff, with the remaining 40% shared among team members who contribute to your dining experience.

100% RECYCLING

Since 2012 we have recycled all our waste so that nothing goes to landfill. Your leftovers are anaerobically composted to produce renewable energy.

COMMUNITY SUPPORT

Every year, we assist a wide range of charities and local community events. Since 2017 we have donated over £21,500 to local charities and our current partner is The Muscle Help Foundation.

SUSTAINABLE SOURCING

More than 95% of the food you eat here is grown or produced in the UK. We further minimise our impact on the environment by supporting ethical, welfare driven and British farmers.
