Blackberries, apples, pears and plums with sliced
white bread served with double cream

Available all-day everyday at St Albans until 23 November

2005 - 2025

To celebrate 20 years in St Albans we're offering you the chance to dine like it's 2005 and help us support a brilliant local charity.

Remember when a main course was under a tenner? As a thank-you for your support over the last two decades, enjoy a taste of our menu from two decades ago – with 20-year-old prices.

Order any (or all) of the three dishes from this menu and we'll donate £1 per diner to **St Albans Community First Responders** – volunteering their time to attend emergency calls, providing urgent and potential life-saving care.

Eat well, save lives!

St Albans Community First Responders are volunteers trained by the ambulance service who attend medical emergencies like cardiac arrests and falls and provide basic first aid and CPR training.

Every £1 you help us raise will go towards the cost of the five new defibrillators they need.
