I founded Lussmanns over twenty years ago as a restaurant for locals where, in the words of The Good Food Guide, our patrons are able to enjoy "a refreshing and likeable antidote to bland high street brands" and a "brilliant local asset." With sustainability at our core since our early days, I hope that you enjoy eating with us and continue to support Lussmanns in its third decade.

Beyond your everyday dining, we also love being the backdrop for your special moments. Whether you're planning a big family celebration or a vital corporate gathering, our doors are open to host your event. From team breakfasts and quarterly meetings to memorable family birthdays, we provide the perfect setting.

Host your next gathering at Lussmanns

Whatever the occasion, we've got you the perfect table and venue for you.

Our five restaurants are perfect for everything from a big family birthday celebration to a focused team meeting. Whether you're planning a team breakfast or a quarterly meeting over a light lunch or 3-course meal, we offer the perfect setting and service. We don't just take your table reservation though.

Our experienced Event Co-Ordinator will assist with every detail, and our in-house experts and network of specialist suppliers can help you create unique, tailored events, from an engaging wine tasting to a wedding breakfast. Our gardens at Harpenden and Woburn are also available as the beautiful backdrop for your special occasion.

"In celebrating the 80th birthday of a special person, all 19 guests have said how much they enjoyed our long lunch. Choosing our 3 courses from the party menu meant the timing was perfect, the food delicious, fizz and wine plentiful and the service was outstandingly friendly and professional. Thank you Lussmanns for making our day so smooth and successful.

Definitely the best restaurant in St Albans."
